

# Processing Priorities Through a Kingdom Mind-Set

## Part 2

### **Matthew 6:24-34; Luke 12:22-34**

In order to develop a true kingdom mind-set, we must learn to on guard against our human tendencies to be preoccupied with things that aren't that important and passive about things that are.

### **Romans 14:17; Luke 17:20-21; Acts 24:16**

Do the decisions I'm making on how I'm spending my time feel right and clean on the inside? Does it bring peace and joy to my spiritual man or woman?

### **Mark 12:28-34**

Does this enhance my love relationship with God?

Does this enhance my love relationship with people, STARTING with the ones who should mean the most to me?

### **1 Timothy 5:8**

### **Matthew 18:1-4**

If we, by God's grace, can make it a priority not to take ourselves or our own human dramas so seriously and, if we can learn to lighten up and smile and be intentional about it, we will be more open and sensitive to finding the Kingdom---what's right, where there's peace, where there's joy—even in the midst of struggle.
